Subject: Welcome to New Faculty from the Senior Vice President for Academic Affairs and Provost

THE UNIVERSITY OF ARIZONA

Dear New Faculty,

In this welcome message to all new University of Arizona faculty, Senior Vice President for Academic Affairs and Provost Liesl Folks greets new members to the Wildcat community. She herself joined the university nearly a year ago and shares her enjoyment of the rich sense of place, diverse community and beautiful campus at Arizona.

Provost Folks also acknowledges the university is on the ancestral homelands of the Tohono O'odham and respectfully acknowledges the Pasqua Yaqui tribe that resides locally. Faculty are encouraged to use the resources available through the offices of the Provost and Faculty Affairs. It is on everyone at the university, especially during the time of the COVID-19 pandemic, to support one another and commit to the health and wellbeing of the community and institution.

Visit <https://provost.arizona.edu> for more information and to reach out with questions and challenges. Be pending of our next e-mail featuring Dr. Elizabeth "Betsy" Cantwell, Senior Vice President for Research and Innovation.

Stay safe and Bear Down,

Office of the Vice Provost for Faculty Affairs
